INSPIRATIONAL THOUGHTS

Dear Colleague,

Here's an easy quiz question - "What Christmas time hymn has the words *Wonders of His Love*?" I'm sure everyone answered correctly! It's from the hymn "Joy to the World." As Biblically based Christian ministries we share the wonders of God's love every day of every month but at this time of year and for this holiday season the world focuses on the birth of Jesus - at least it used to.

Sadly, many in today's culture seek to remove His birth and life not only from Christmas but also from our culture. But for your family and mine we rejoice that a sinless Savior would show the wonders of His love to us. And we share that wonder with those our ministries care for - from our guests to our volunteers, donors and beyond.

From the beginning of the ministry of City Union Mission in 1924 to this day, the transforming message of God's wondrous love is what brings hope and change to many hundreds that hear that message proclaimed by a loving and caring staff. "Jesus is the Reason for the Season

Christmas season our prayer will be that many who find needed shelter and care at our ministries will celebrate the true meaning of this special day - many for the very first time as they hear about the "wonders of His love."

My prayer is that you personally will experience the "wonders of His love" and that you will know His peace and joy . . . because "a Savior has been born and He is Christ, the Lord" (Luke 2:11).

Blessings,
Dan Doty

MEMBER HIGHLIGHTS

◆ **City Rescue Mission of Lansing, MI** is currently planning to expand their Men's Shelter from 80 to 120 and also add 18 Single Room Occupancies (SROs). This project is currently a \$3.5 million project and they have raised approximately \$1 million. They hope to apply for a Federal Home Loan Bank grant in March 2022 and finish raising funds by the end of 2022.

◆ **City Union Mission of Kansas City, MO** has collaborated with a local company to create an innovative solution that will increase their capacity by 30%! This new concept is a state-of-the-art design that features a murphy bed, locker and room enough for families to stay together. The unit will allow for maximum bed space at night and fold away during the day for living space. They're ecstatic to see how through God's goodness and purveyance they are meeting the needs of their neighbors in Kansas City! That is why they say their at City Union Mission, "Hope Lives Here!"

◆ **Springfield Rescue Mission of Springfield, MA** had their local Christian Radio Station (the Q 99.7 FM) host their annual Feed The Need Radiothon on Thursday, November 18th and God opened and blessed their organization! They received \$12,873.83 which does not include a \$10,000 match made by an anonymous donor! Praise the Lord!

FEATURED MISSION

MAUI RESCUE MISSION

Across the island of Maui, an estimated 1,000 men, women, and children are struggling with homelessness, without hope and with little to no access to resources to help them start the process of life transformation. Maui Rescue Mission exists to provide hope! They provide access to physical, spiritual, and emotional resources for struggling Maui families & individuals by providing an entirely mobile resource center for the communities of Lahaina, Kihei, and Kahului. They operate one mobile trailer outfitted with a bathroom, shower, laundry services, and more across four locations, four days a week.

They have also gathered a remarkable network of social service partners that provide additional resources critical to

meeting the needs of the homeless. Maui Rescue Mission now has six resource partners who currently join them at outreach, using pop-ups as "field offices." Having partners on-site creates a highly efficient service delivery benefiting their homeless guests while providing encouragement, guidance and hope.

As the need expands, so will their advocacy efforts. This year, they hired their first full-time West Maui Outreach director! In the summer of 2022, they are expanding their mobile

outreach operations across the island. They plan to procure an additional custom-built mobile unit, enabling them to expand to a new outreach location, and hire additional team members to make it all happen! To join them, please visit their website maurescuemission.org or follow them on social media @maui.rescue.mission.
